Course overview

What if your legal entity is your biggest barrier to transformation?

Many companies are stuck with outdated incorporation models that no longer serve their mission. This training course unpacks the structural risks hidden in plain sight - and explores more resilient alternatives to ensure your business is future-ready.

The expert trainer will cover:

- How legal structures can limit strategic flexibility and innovation
- Misalignments between ownership, governance, and value creation - and what to do about them
- From monolithic organizations to dynamic business ecosystems
- Moving beyond shareholder primacy: Stakeholder-aligned governance and legal innovation to future-proof your business
- Tools you can use now: A framework to evaluate your current legal structure's future-readiness

Benefits of attending
